A vertical dashed line is positioned in the center of the page, extending from the top to the bottom. It is intersected by several horizontal dashed lines at regular intervals, creating a grid-like pattern.

A vertical stack of 20 horizontal dashed green lines, with a vertical dashed green line running through the center.

Table 1. The effect of the number of hidden layers on the performance of the proposed model.

A vertical dashed line running from top to bottom, positioned near the left edge of the page, representing the spine of a book.

A vertical dashed line running from the top to the bottom of the page, positioned approximately in the center.
